## **TASTING NOTES**

### **Red Wines:**

**Segla 2012 Margaux** -It is a wine with excellent concentration and poise. Showing fragrant notes of ripe fruits, violets and cedar with beautiful length and delicate tannins. With great structure and balance and a long finish A great example of good value Margaux drinking well now, this wine will also soften further and improve over the next 7-8 years

**Rioja Reserva Vina Ardanza 2009** - La Rioja Alta, one of the region's top wineries, plucks every single grape by hand. This juice sees a luxurious 36 months in oak. These tricks bring an abundance of complexity to your glass. You're in for oodles of sweet cherry, blackcurrant and vanilla flavours.

Pale salmon in colour with a complex nose of cherry and strawberry notes evolving towards soft candied fruit. Rich and smooth with ripe red fruits and a well-balanced acidity.

### **White Wines:**

**Pouilly-Fuisse 2017 Domaine Cordier** - From the Domaine Cordier estate with vines grown in Fuissé village and Vergisson, yields of 40 hectolitres per hectare and 15% new oak this is a modern, sumptuous interpretation of the full-bodied style of Pouilly Fuissé. Very forward with ripe tropical peach and a rich (but not over-powering) use of toasty oak make this a wonderfully full style of Fuissé. Length on the finish is long and harmonious.

**Greywacke Sauvignon 2018 Marlborough Greywacke** (pronounced 'grey-wacky') is the name given to the grey sedimentary rock that characterises much of the soil in this estate's vineyard. The winery was founded in 2009, and is the brainchild of Kevin Judd, former winemaker of Cloudy Bay for 25 years. Intense aromatics of melon, peach and papaya are accompanied by hints of tomato leaf and capsicum. The palate is crisp but remarkably mouth-filling, a small portion of the wine having been oak fermented.

### **Champagne:**

**Bollinger 'Special Cuvée' Brut Champagne** - Bollinger is synonymous with high quality Champagne. The house stands apart by doing things a little differently to most other producers in the region. Oak is used to ferment base wines, adding unique creamy and spicy flavours. To make the highly esteemed Special Cuvée, grapes are predominately picked from Grand Cru and Premier Cru vineyards. And if that wasn't luxurious enough, the wine is then aged for double the legal requirement. So expect nothing less than excellence in every sip. Rich. Ripe. Powerful. These velvety complex bubbles have aromas of roasted apple, walnut and spice, with flavours of pear, biscuit and toasted brioche.

**Veuve Clicquot Brut Champagne** -In 19th-century France, women weren't even allowed to have bank accounts. So it's extraordinary that twenty-something Madame Clicquot turned her late husband's business into the must-have Champagne of several European courts. Take a sip of their signature Brut and you'll see exactly why. This is aged for twice the time legally required. The extra ageing brings biscuity

and toasty flavour. It's rich – but balanced by ripe and zingy notes of citrus. Refreshing. Decadent. In 2022, this wine won an IWC award

## **Prosecco**

**Definition Prosecco** - The Definition range captures the quintessential qualities of the world's greatest wine styles. With an elegant mousse, a ripe bouquet of apple, pear and white flowers and aromatic intensity, this Prosecco hits the nail on the head.

## **Port**

**Croft Reserve Tawny Port** - Croft is the Port industry's oldest producer still active today. Founded in 1588, the house has a rich and fascinating history. Their innovative thinking saw them create the very first vintage Port, and the house continues to lead the way with some of the region's finest fortified wines. This Reserve Tawny is a prime example. It's beautifully smooth and round, with warm aromas of butterscotch, walnut and spice. Ripe and jammy fig flavours will complement a strong cheddar or a dark chocolate dessert.

**Croft 10 Year Old Tawny Port** - The 10 Year Old Tawny is drawn from a reserve of fine wood ports which have been aged to full maturity in seasoned oak casks, each holding about 630 litres of wine. The individual wines are then blended to guarantee consistency of quality and house style

## **WINES AVAILABLE ON THE NIGHT**

**White Wine: Parcel Series Sauvignon Blanc 2021, Nelson - £15.00** This one is made in Nelson, which is widely credited as New Zealand's sunniest spot. All these sunshine hours translate into plenty of those tropical-fruit flavours. Think guava, passionfruit, stone fruits and melon. It's crisp and intense with a snappy acidity that's best with scallops.

**Red Wine: Côtes du Rhône Belleruche 2019/20 M.Chapoutier - £15.00** Medium body. This wine was made without the use of oak, so it's fruit-forward and with notes of ripe black cherry, herbs and a kick of peppery spice. It pairs well with lots of foods, especially charcuterie.

**Rose Wine: Peyrassol, Reserve des Templiers Rosé, Côtes de Provence -£18.00** Peyrassol was established in the 12th century by the Knights Templar. Today, it's the hub of a very different kind of pilgrimage – of wine lovers to one of the finest and most beautiful vineyards in all of Provence. Because the vineyards are at a higher altitude, there's a perfect balance between warm daytime and cool night-time temperatures to make the grapes incredibly aromatic. Perfect for rosé. It's peachy and herbal – a heady distillation of the hills where it's grown. It's full bodied, yet refreshing, with a wonderfully citrusy edge.

**Prosecco: Definition Prosecco - £25.00** The Definition range captures the quintessential qualities of the world's greatest wine styles. With an elegant mousse, a ripe bouquet of apple, pear and white flowers and aromatic intensity, this Prosecco hits the nail on the head.
